

Calling all Artists & Makers!

AIDS Fund is starting a new fundraising initiative called Artisans for AIDS and we are seeking art donations from local creatives who want to help our cause.

When you donate your work to Artisans for AIDS, we add it to our online art market. Your name as well as some information about your art will be included in the items' descriptions. We hope to provide your work with exposure to our many supporters through our online platforms. Sales from Artisans for AIDS will help support AIDS Fund's From All Walks Of Life Fund emergency grant program that assists people living with HIV facing financial crisis to obtain safe housing, restored utilities and stay in medical care.

We accept all types of work from photography & paintings to knit wear and paper dolls! There is no deadline for submissions and we do not have specific criteria for donations. AIDS Fund has a very broad following and we are anticipating that we will be able to provide a variety of appealing pieces to our market!

If you have a piece that you would like to donate, please contact AIDS Fund at info@aidsfundphilly.org with the following information about your work:
